

Kistpay's Alignment with UN SDGs

Driving digital innovation for a sustainable future

SDG 1

No Poverty

End poverty in all its forms everywhere

Kistpay Alignment: Affordable digital access breaks the cycle of poverty

Key Targets:

- Provide affordable digital devices to low-income communities
- Enable access to online economic opportunities through connectivity
- Support financial inclusion through digital payment solutions

SDG 2

Zero Hunger

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

Kistpay Alignment: Kistpay contributes to zero hunger by leveraging technology to empower communities

Key Targets:

- Connect farmers to digital markets and fair pricing information
- Enable digital payments for agricultural workers and producers
- Support food security programs through technology accessibility

SDG 3

Good Health and Well-being

Ensure healthy lives and promote well-being for all at all ages

Kistpay Alignment: Kistpay promotes health and well-being through access to e-health services

Key Targets:

- Facilitate access to telemedicine and online health consultations
- Enable digital payments for healthcare services in remote areas
- Support health information systems through connectivity solutions

3 GOOD HEALTH
AND WELL-BEING

SDG 4

Quality Education

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Kistpay Alignment: Digital connectivity enhances access to educational resources

Key Targets:

- Provide affordable devices for students in underserved communities
- Enable access to online learning platforms and educational content
- Support digital literacy programs through technology access

4 QUALITY
EDUCATION

SDG 5

Gender Equality

Achieve gender equality and empower all women and girls

Kistpay Alignment: We empower women and promote equal opportunities in the digital world

Key Targets:

- Provide equal access to digital tools and opportunities for women
- Support women entrepreneurs through affordable technology solutions
- Bridge the digital gender gap in underserved communities

5 GENDER
EQUALITY

SDG 8

Decent Work and Economic Growth

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Kistpay Alignment: Digital entrepreneurship and employment opportunities foster inclusive economic growth

Key Targets:

- Enable digital entrepreneurship through affordable technology access
- Support remote work opportunities with connectivity solutions
- Facilitate access to online job platforms and skills development

SDG 9

Industry, Innovation and Infrastructure

Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

Kistpay Alignment: We drive innovation and ensure equitable access to digital technologies

Key Targets:

- Expand digital infrastructure to underserved regions
- Promote technology innovation through accessible devices
- Support small businesses with affordable digital solutions

SDG 10

Reduced Inequalities

Reduce inequality within and among countries

Kistpay Alignment: Equal access to digital resources for marginalized communities

Key Targets:

- Bridge the digital divide through affordable device programs
- Ensure equal access to technology regardless of socioeconomic status
- Promote digital inclusion for marginalized and vulnerable groups

SDG 11

Sustainable Cities and Communities

Make cities and human settlements inclusive, safe, resilient and sustainable

Kistpay Alignment: Enabling smart city solutions through digital connectivity and technology access

Key Targets:

- Support urban digital infrastructure development and smart city initiatives
- Enable access to digital services for sustainable urban living
- Promote technology solutions for resilient and inclusive communities

11 SUSTAINABLE CITIES
AND COMMUNITIES

SDG 12

Responsible Consumption and Production

Ensure sustainable consumption and production patterns

Kistpay Alignment: Promoting sustainable digital practices through our buy back-scheme

Key Targets:

- Extend device lifecycles through refurbishment and buy-back programs
- Reduce e-waste by promoting circular economy practices
- Encourage responsible consumption of technology resources

SDG 17

Partnerships for the Goals

Strengthen the means of implementation and revitalize the global partnership for sustainable development

Kistpay Alignment: Collaborating with industry leaders to amplify impact

Key Targets:

- Partner with technology providers to expand digital access
- Collaborate with NGOs and governments on digital inclusion initiatives
- Build strategic alliances to maximize sustainable development impact

17 PARTNERSHIPS
FOR THE GOALS
