

LIME

Stay connected from anywhere in the world

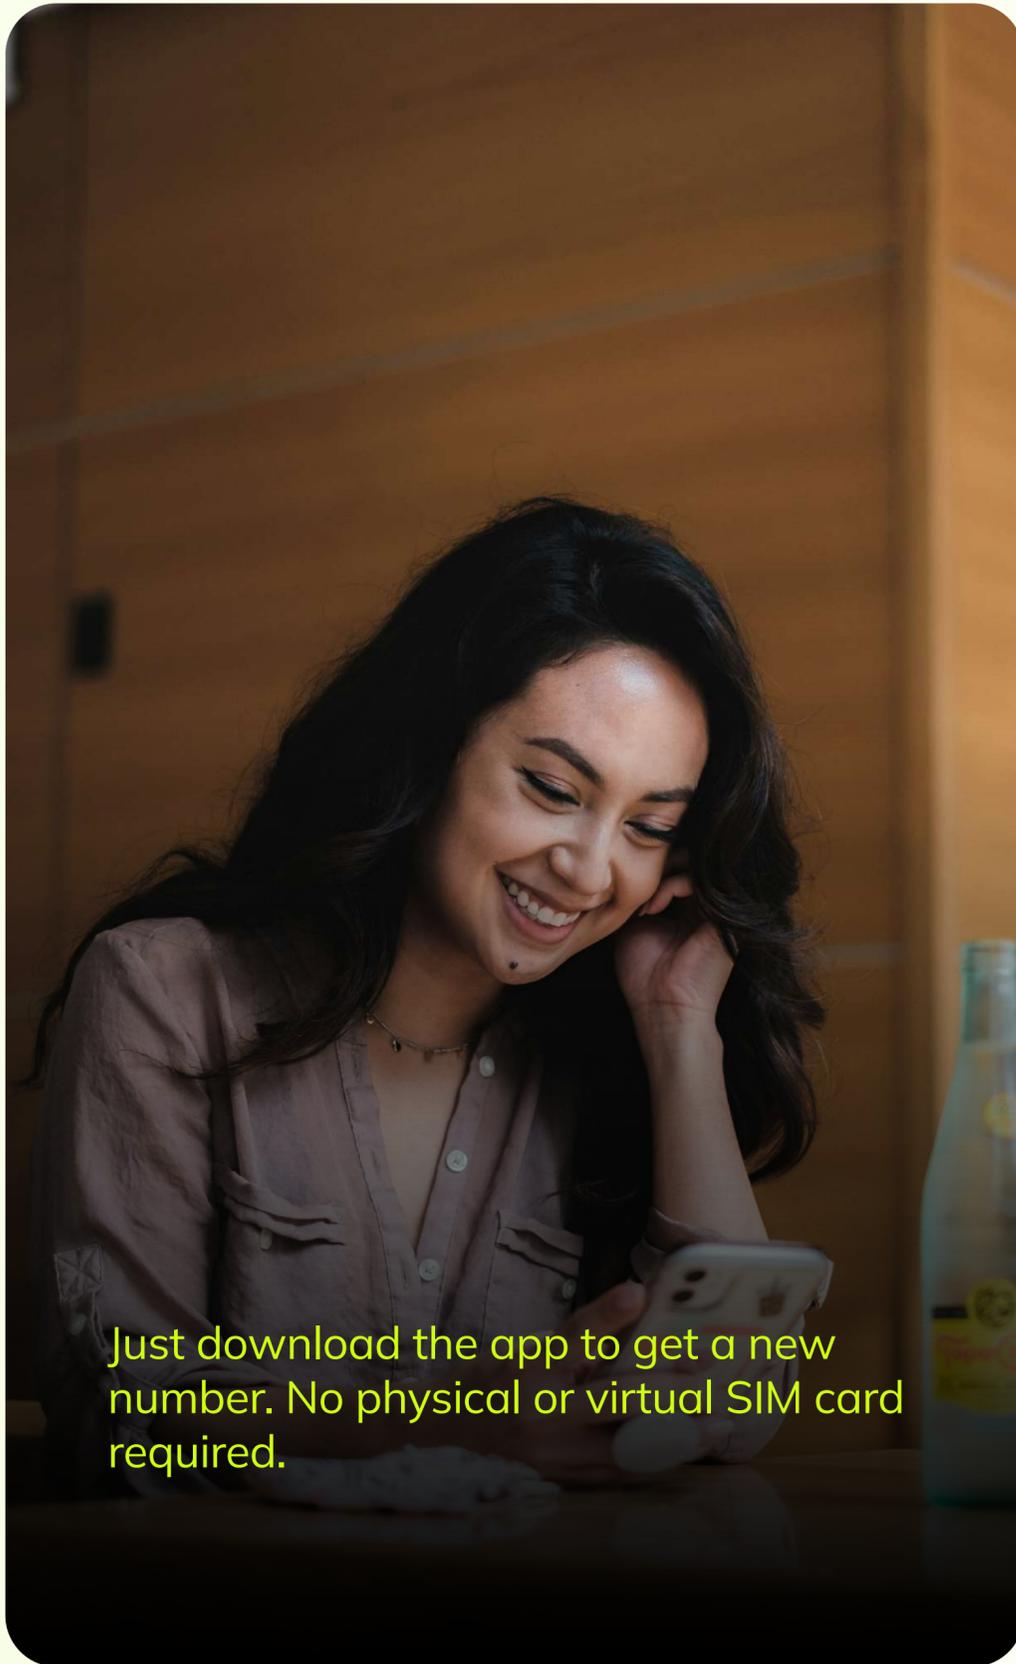

LIME is a new communication solution that connects users with their loved ones and essential daily services seamlessly, no matter where they are in the world.

Since 2021, we have been working to provide opportunities for Mongolians working, living, studying, and traveling abroad to connect with family and loved ones, access government services, and utilize call and messaging services at the lowest rates in Mongolia.

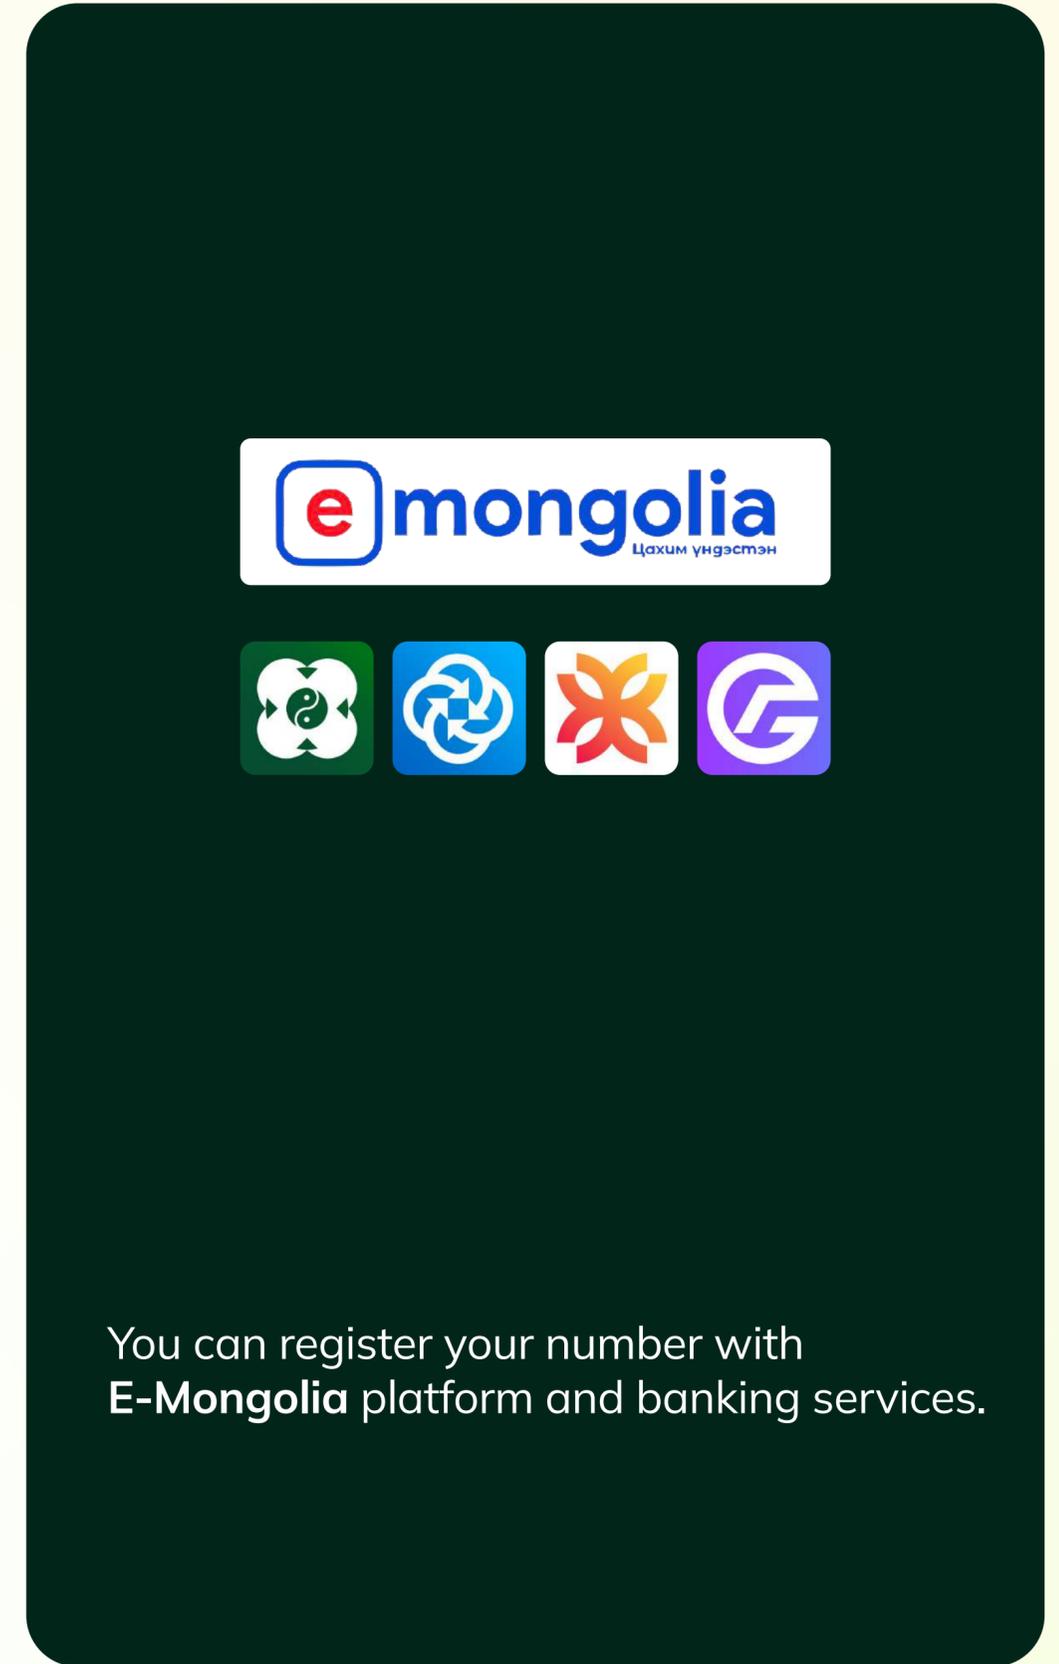

Just download the app to get a new number. No physical or virtual SIM card required.

As long as you are connected to the internet, you can make and receive calls and text messages to/from Mongolian numbers from anywhere.

You can register your number with E-Mongolia platform and banking services.

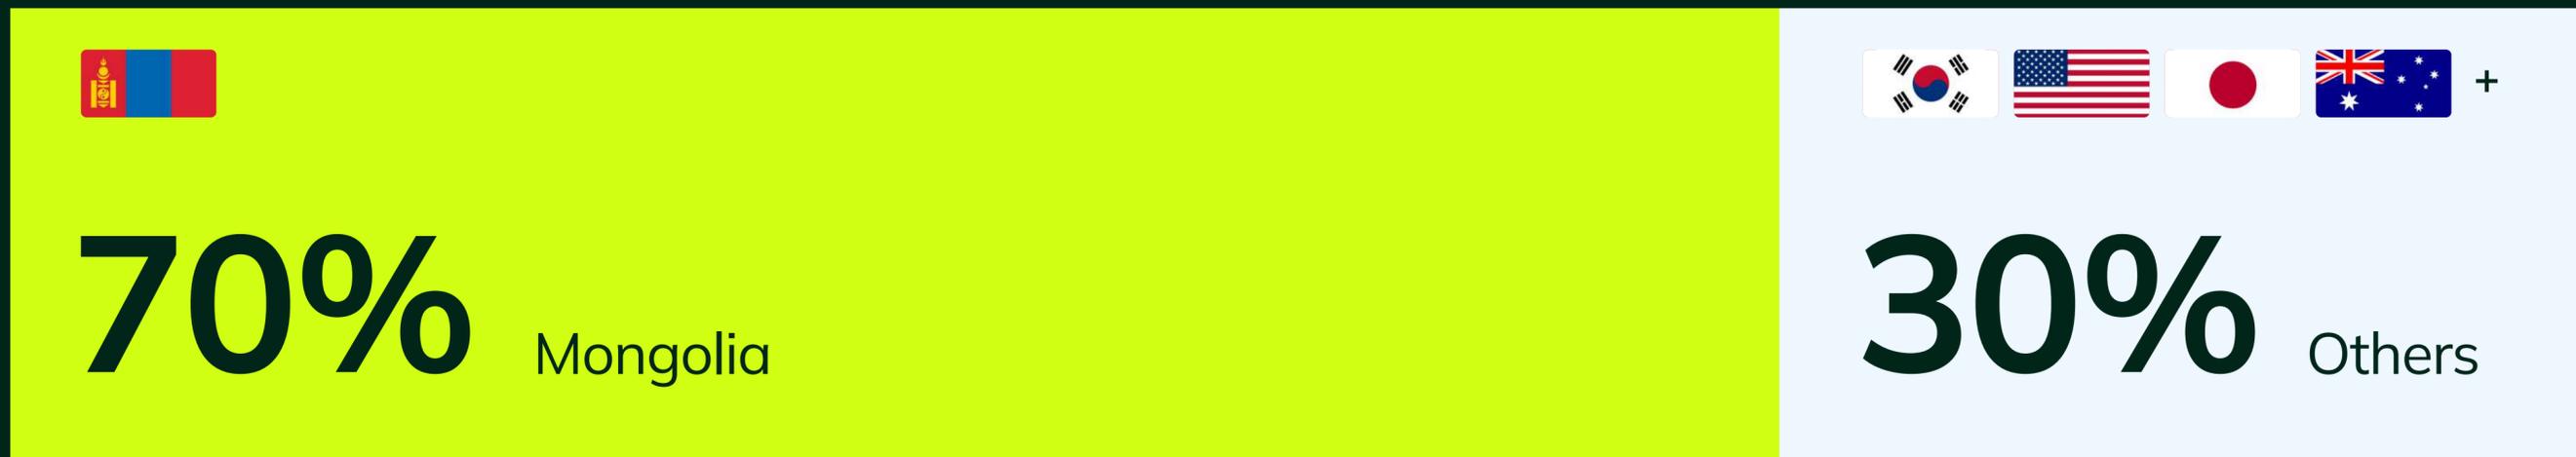

Used by **120'000+** users from
192 countries around the world.
