# Online Exam Portal

- Easy Question Bank Management
- Assessment Pattern Creation
- Online Proctored exam features
- Easy Admin Access
- Automated Result Declaration

KNOW MORE

The screenshot displays the 'Online Exam Portal' interface. On the left is a dark sidebar menu with the 'webmob technologies' logo at the top. The menu includes sections for 'GENERAL' (Dashboard, College, Department, Courses, Student), 'EXAMINATION' (Question Bank, Exam Suite, Student Results, History Results), and 'SETTINGS' (Account Settings, Security Settings, Life @ WMT). The 'Exam Suite' option is currently selected.

The main content area is titled 'College Details - Exam Suite / ADIT\_Campus\_July\_2021 /'. Below this, the 'ADIT\_Campus\_July\_2021' section shows a grid of exam details for different departments. Each department's section includes a table of courses and their respective number of questions, along with a total question count and a 30-minute duration. At the bottom of each section is a unique identifier (ID) and icons for refresh and download.

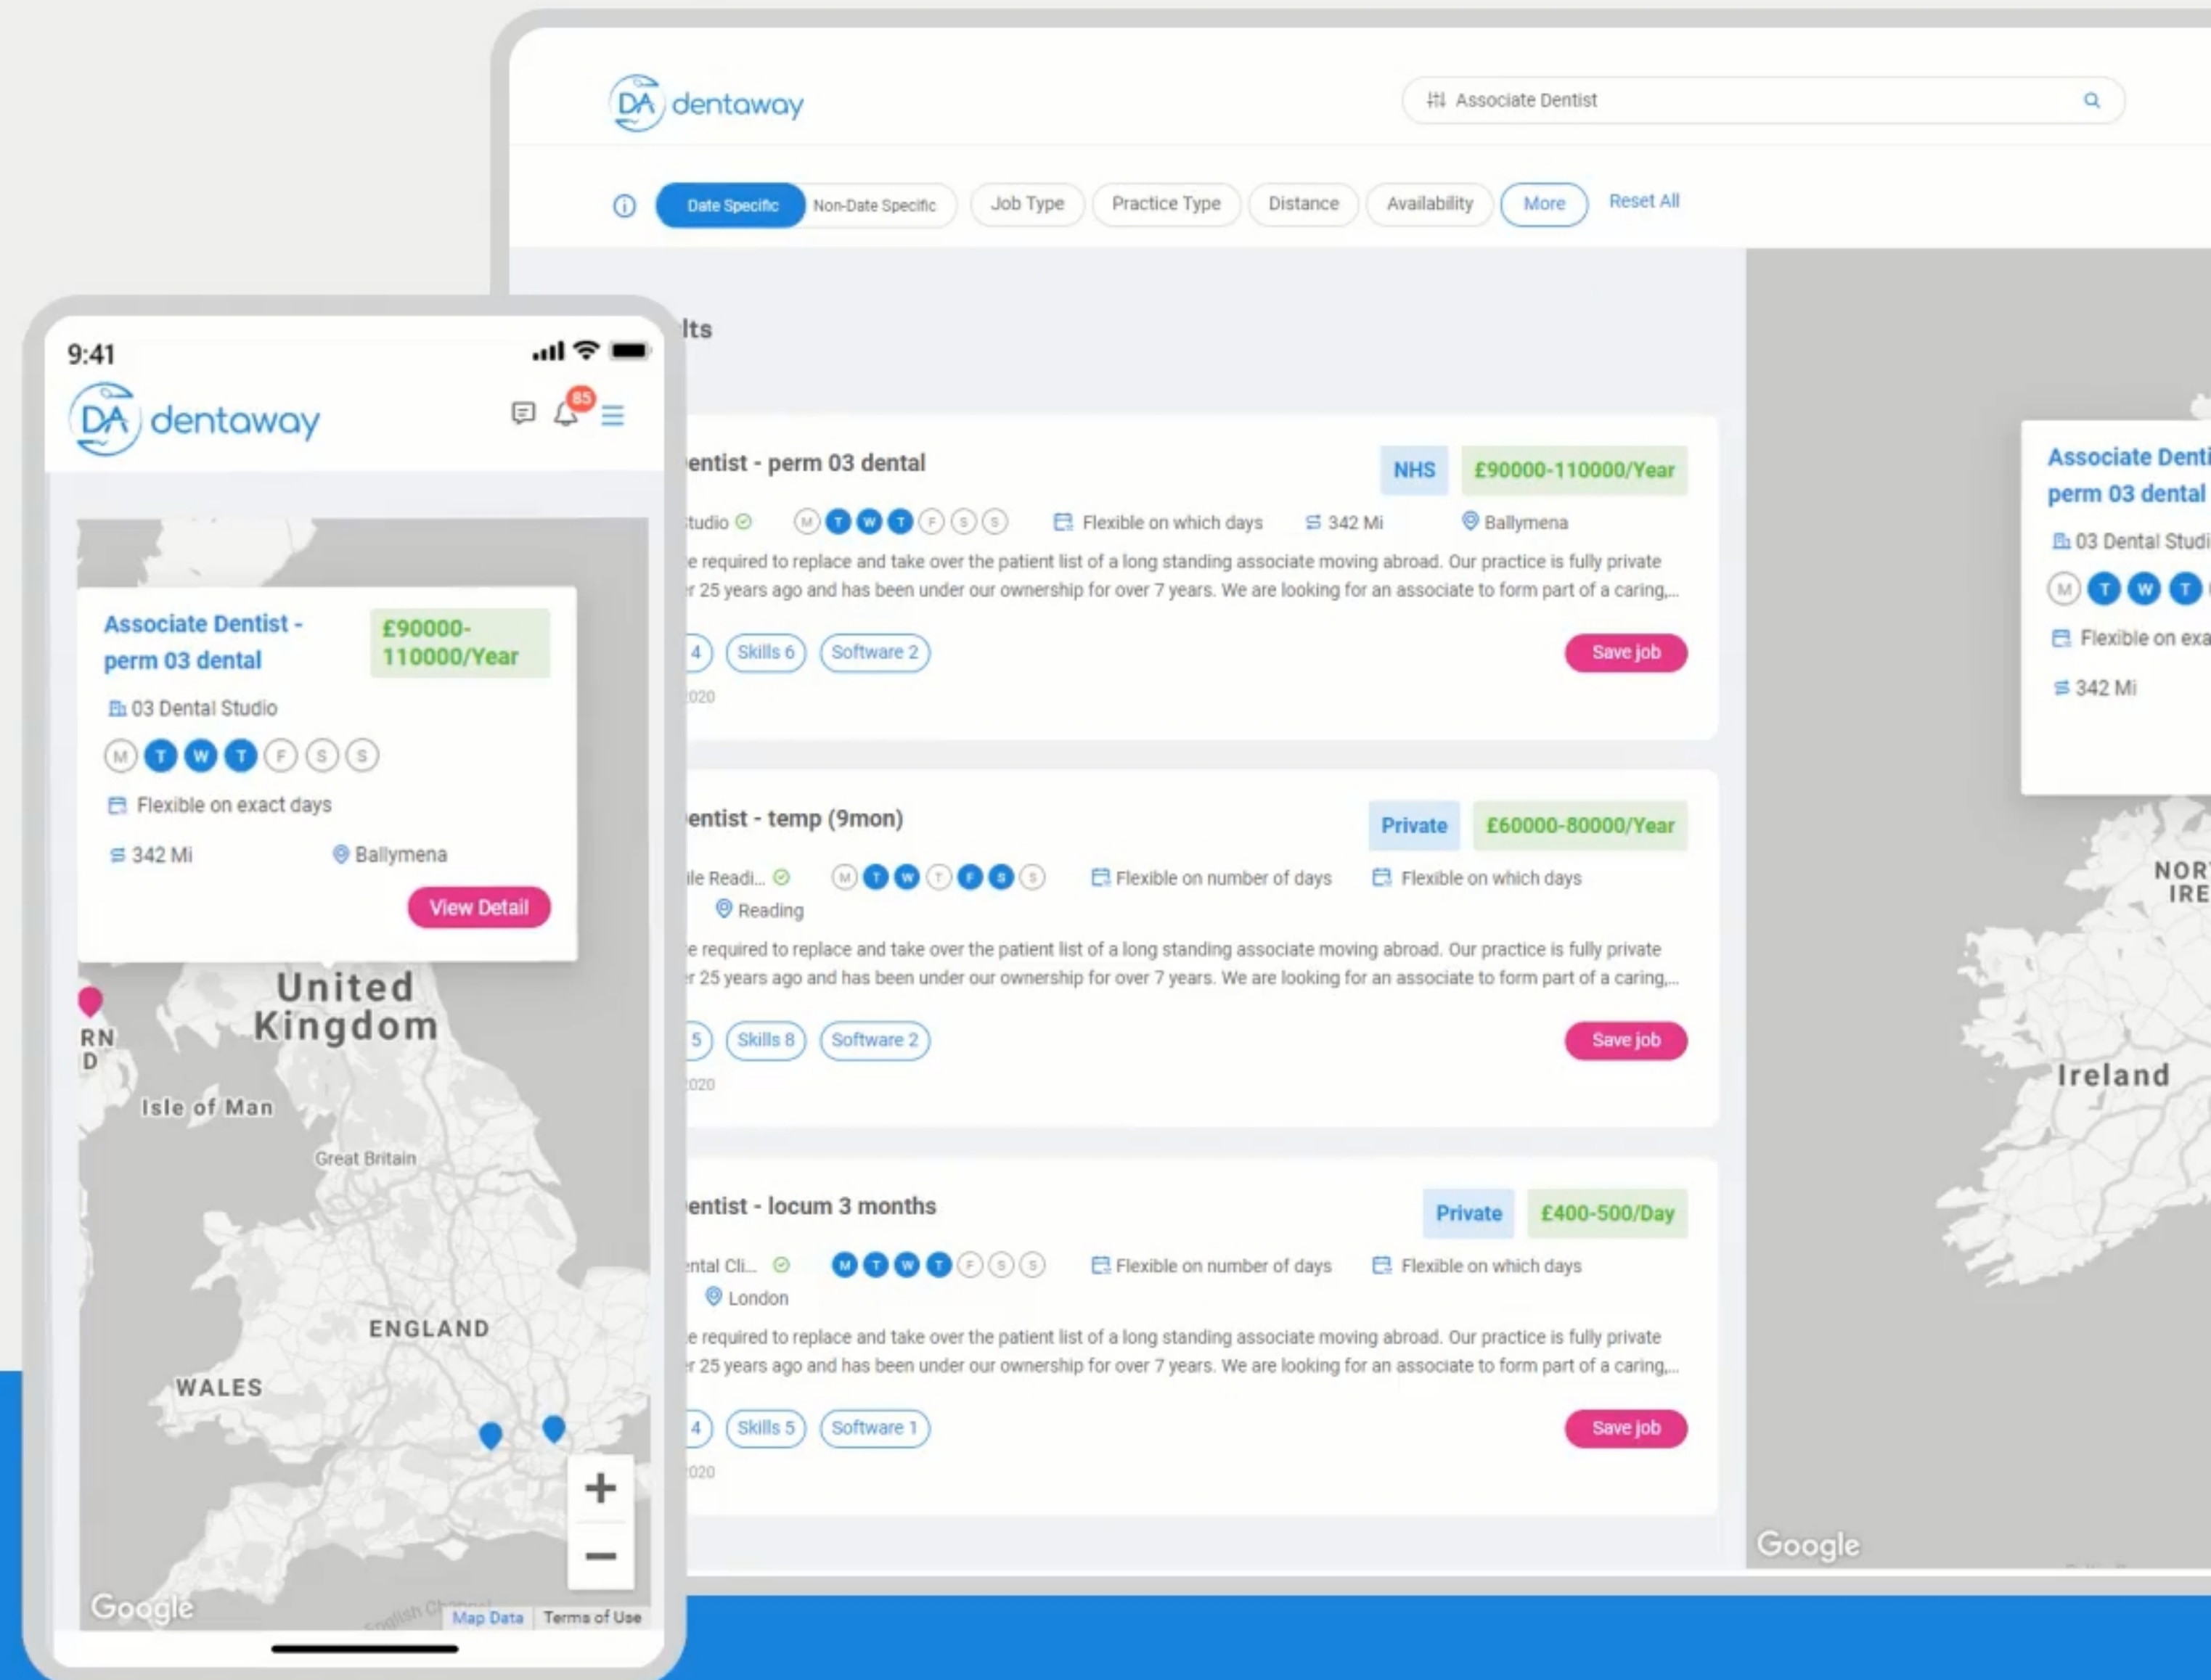

Department	Courses	No of Question	Total Question	Total Duration	ID
Business Development Executive	Psy_2020	5	30	30 min.	780477
	BD_High	4			
	BD_Moderate	7			
	BD_Low	8
