About Us

2010

Founded in Shanghai.
Launched a 3G tablet in
collaboration with **China
Telecom**, highlighted at
MWC Barcelona.

2018

Teamed up with **Lenovo** New
Vision to develop AR glasses
based on Qualcomm platforms.
Developed handheld scanner
for **Newland**.

2023

Collaborated with **JD.com** to
develop a handheld scanner.
Initiated research into foldable
smartphone technology.

2014

Ventured into the realm of mobile
scanning and smart mobile POS.
Started a decade long collaboration
with **Honeywell**.

2021

Crafted high-precision terminal for the BeiDou
navigation system with **CHCNAV**. Handheld
scanner esteemed by clients like **JT Express**,
ZTO Express.
