Phase 1 – Bazaar Launch Zone

- **Retail Shops (100–400 m²)** – Ready-to-rent VR showrooms for furniture, materials, and lifestyle brands.
- **Designers & Service Hub** – Dedicated booths for architects, interior designers, and service providers such as carpenters, electricians, and plumbers to showcase their portfolios and connect with clients.
- **Exhibition Center** – A dynamic event space for brand activations, product launches, and workshops.

Expansions

Future phases connect seamlessly through existing streets and junctions, expanding the bazaar into a growing network of shops and experiences.
