

Simplifying customer engagement with AI innovations

Customer engagement doesn't have to be this overwhelming!

10+ tools – Zero Precision

Problem

Fragmented engagement process
cost businesses customers &
revenue.

01

Using multiple CRM platforms
leads to fragmented & inefficient
process, plus overall poor
customer experience

02

High cost of bloated SaaS stacks,
customizations & complex
integrations eats into your revenue

01

Replace 5 - 8 different CRM platform with one simple all-in-one platform that helps you manage everything in one place

02

Eliminate lengthy onboarding, expensive integrations & customizations with a no-code turnkey platform

Our Solution

We provide a single, AI platform that consolidates 40+ tools into one dashboard.

How it Works

You manage the entire customer journey — from first contact to long-term retention — all in one place.

Awareness & Acquisition

Run AI-driven outreach across email, SMS, WhatsApp, voice, and auto-dialer campaigns to engage prospects at scale

Consideration & Onboarding

Capture and manage leads with smart forms, pipeline tracking, and seamless scheduling through built-in calendar and meeting tools

Support & Retention

Provide 24/7 service with an integrated call center, IVR, ticketing, live chat, video, social media inbox, content hub, AI chatbots and more

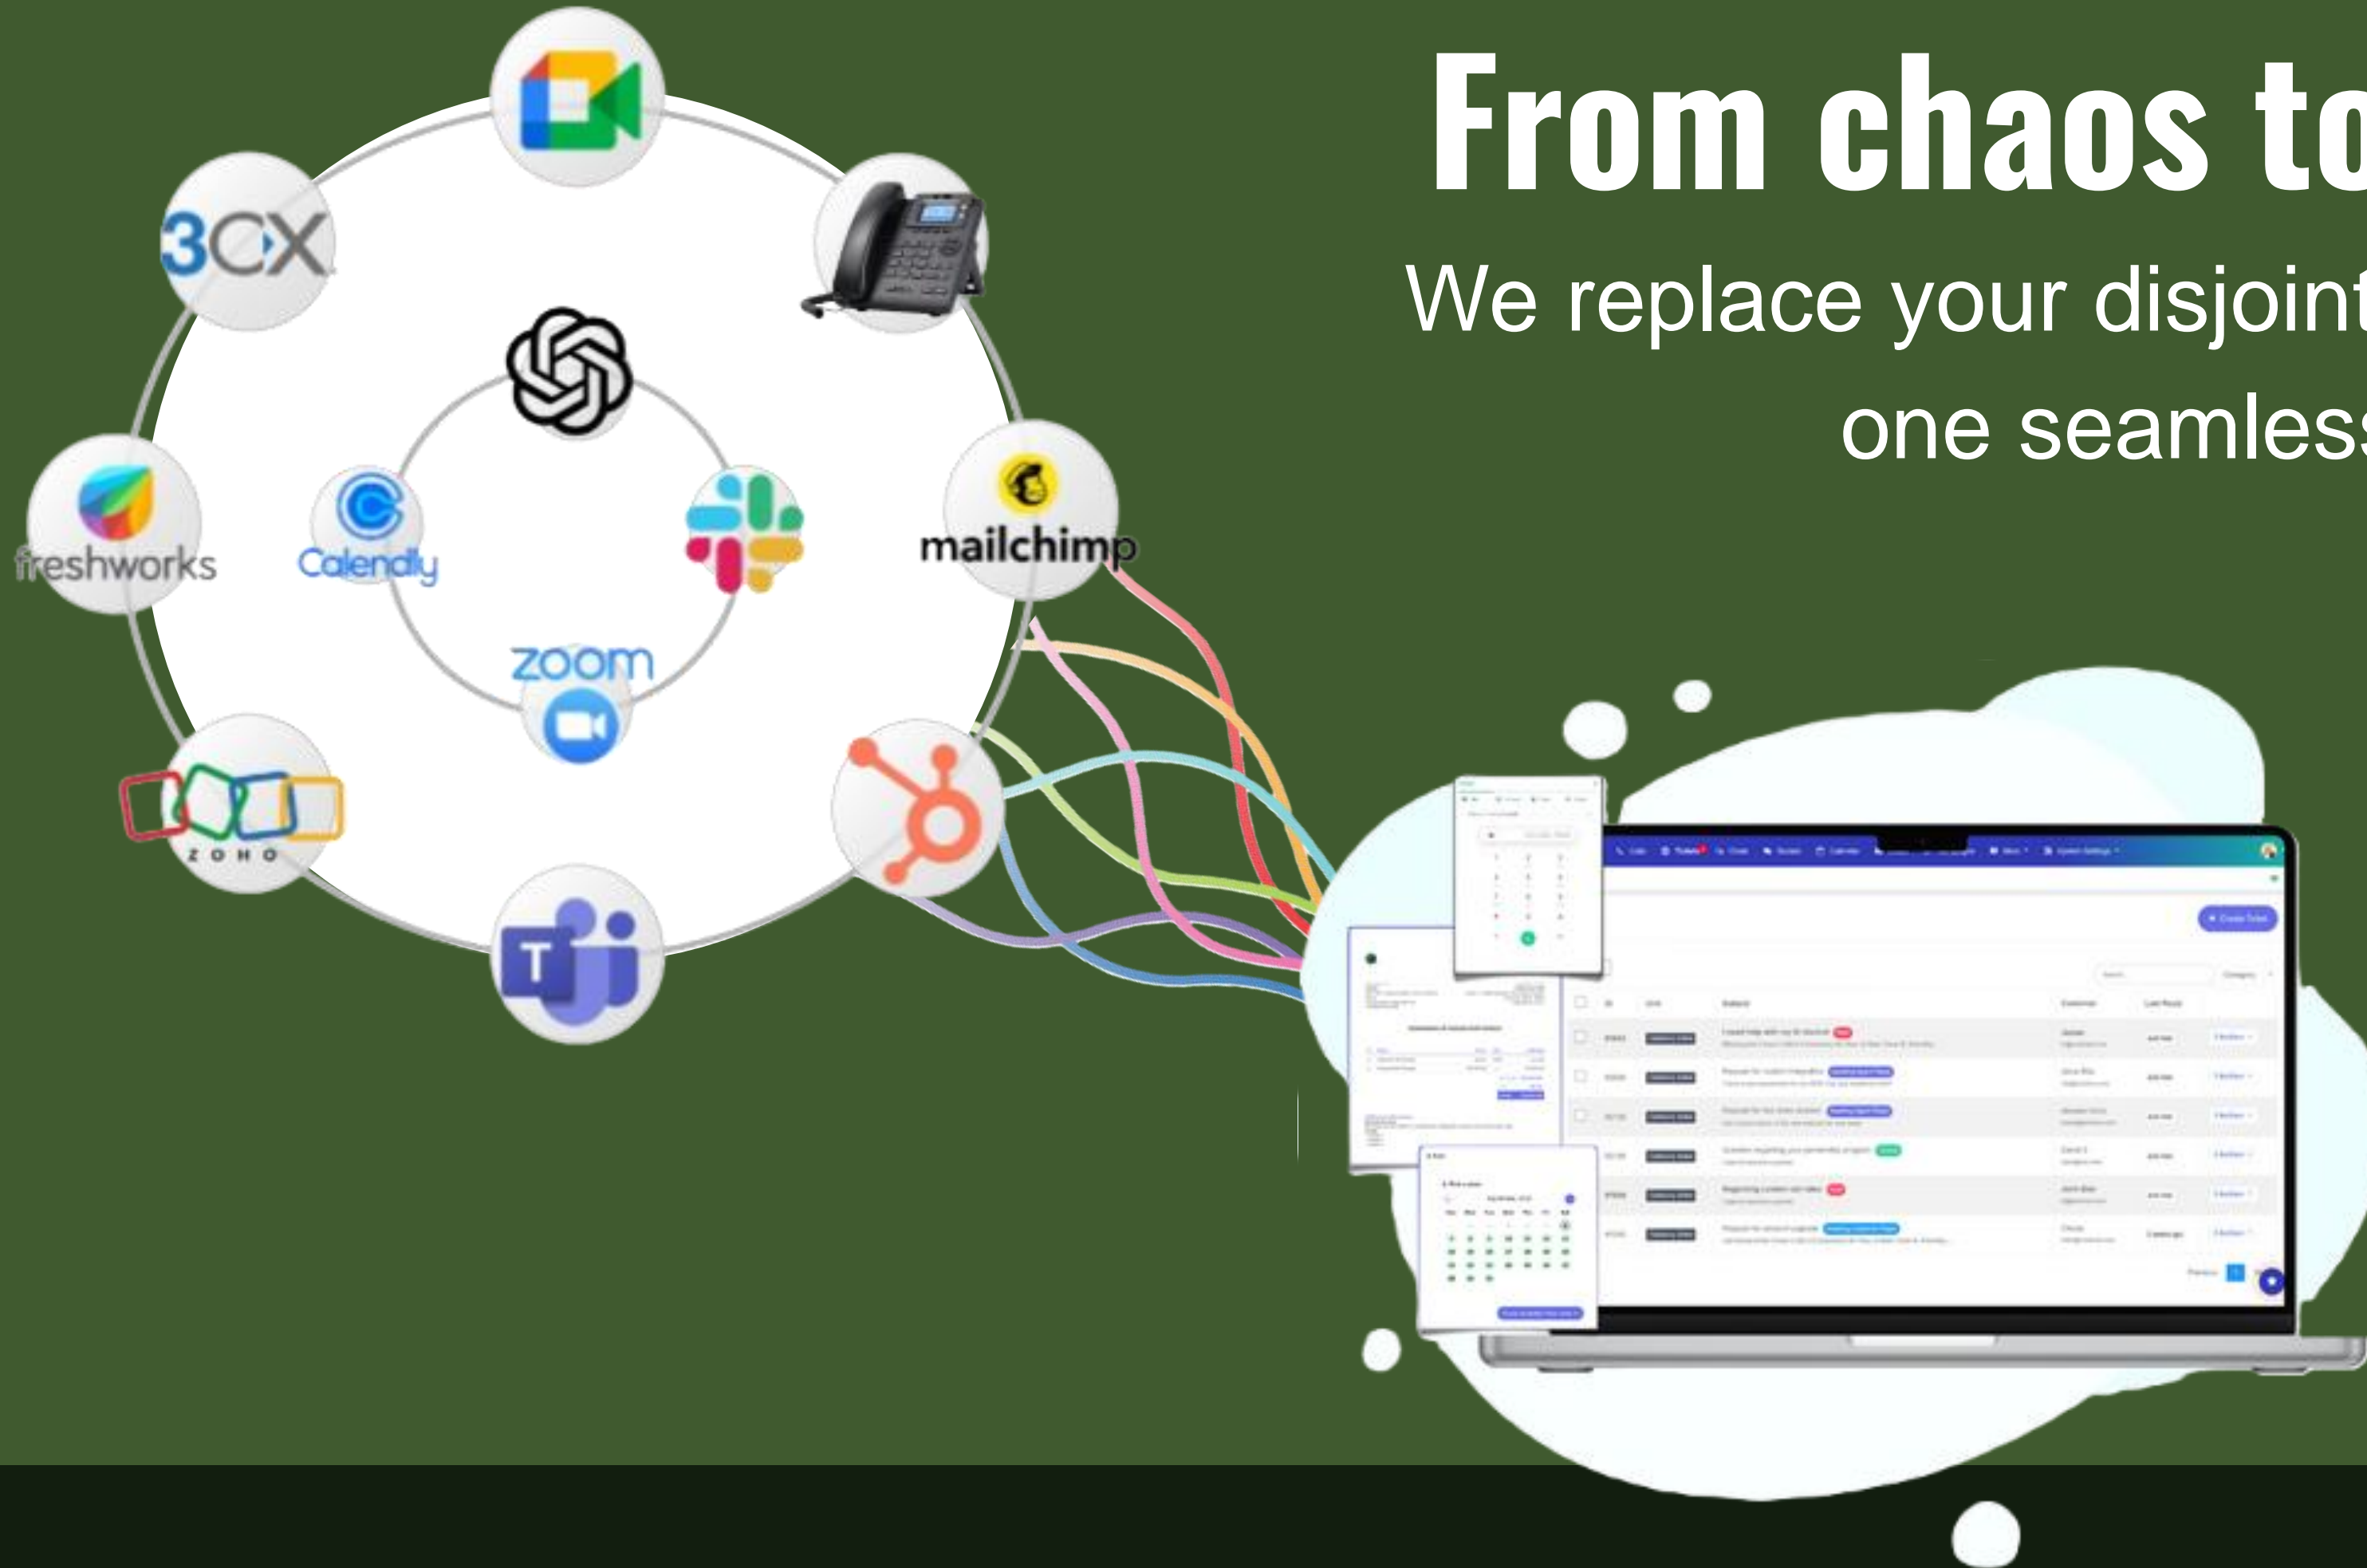

Growth & Insights

Manage billing, customer data, and drive upselling with automated campaigns — all while tracking performance through real-time analytics .

From chaos to clarity

We replace your disjointed tools with one seamless dashboard.

It's not just a CRM

It's 40+ engagement tools – unified in one AI Platform

- AI Attendant & Assistants

- Multichannel Campaigns
- FAQs & Knowledgebase
- Form & Surveys
- Team Chats & Whispers
- Invoice, Billing & Quotes
- AI Analytics & Reports
- Tasks & Notes
- Catalogue
- APIs & Widgets

What made us awesome

Truly Unified

Unlike other CRMs that rely on third-party add-ons, Callsavvy offers every tool to automate and manage the entire customer relationship in one platform — no integrations needed.

Simple & Intuitive

Where legacy CRMs overwhelm users with complexity, Callsavvy's clean design and streamlined workflows make it easy to adopt, cutting onboarding time from weeks to minutes.

Lower, Flexible & Scalable Pricing:

Traditional CRMs lock you into rigid, costly contracts. Callsavvy offers free, prepaid, and customizable plans that fit any business size, use case, or budget — with the freedom to switch anytime.

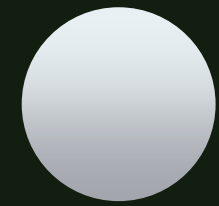

AI That Empowers, Not Replaces

While others push automation that sidelines people, Callsavvy's AI is built to work alongside humans, letting each business adopt AI at their own comfort level.
