

## Invitation from my5G™

Dear Customers

It is our great pleasure to invite you to HFR  
at Mobile World Congress 2023 in Barcelona.

We are proud of demonstrating our my5G™, Pre-integrated  
End-to-End private 5G solution that consists of  
Service management platform, MEC, vCore, vCU, vDU,  
xHaul transport, O-RU, 5G CPE and Wi-Fi AP.

The my5G™ will explore the vision of how to enable SMEs'  
digital transformation and to realize monetization by using my5G™.

So please contact HFR account managers to make appropriate  
arrangements if you would like to see the my5G™.

See you in Barcelona!

Jongmin Cheong  
Chief Executive Officer
