GENERAL

N R W . G l o b a l B u s i n e s s

Strong partner for your success – in NRW and worldwide

You are successful in North Rhine-Westphalia (NRW) and now want to take off abroad? Or would you like to invest here – in Germany's leading business location? Whether in NRW or worldwide: NRW.Global Business is the right partner for your economic success.

One agency – numerous areas of expertise

As the Trade & Investment Agency of the State of North Rhine-Westphalia, we combine in-depth local knowledge with a global orientation. We support companies with investment projects and settlements in North Rhine-Westphalia, while at the same time keeping an eye on global growth markets: If you want to develop new markets with your business from NRW, you have come to the right place.

Experts on countries and industries

Every industry has very different requirements, and every country has different framework conditions. Our team of nearly 100 employees specializes in your individual requirements and will be happy to advise you – both here in North Rhine-Westphalia and at our locations around the world.

Now globally networked

From the U.S. and the U.K. to Japan and China: In addition to our headquarters in Düsseldorf, we have numerous international offices in important markets around the globe – and our network is growing constantly.

Closely connected with NRW for many years

NRW.Global Business possesses decades of know-how and a strong, regional network. As a state-owned foreign trade promotion agency, we work closely with local and regional economic development agencies in the state, the state government of North Rhine-Westphalia, as well as with chambers of industry and commerce, chambers of trade, clusters, state initiatives companies, associations and other business-related organizations.

North Rhine-Westphalia

A dynamic business location in a prime strategic position

As Germany's leading economic region, North Rhine-Westphalia (NRW) offers companies optimal conditions to grow both locally and globally. Centrally located in the heart of Europe, major national and international transport routes converge here. The most populous of the 16 German states has very high purchasing power and is considered to be one of the largest sales and procurement markets in Europe. Large listed companies feel just as much at home here as highly specialized family-owned SMEs and creative start-ups - and over 20,000 international players.

Innovative strength meets cosmopolitanism and cultural diversity

The state's excellent universities produce highly qualified specialists and serve as an important innovation driver. Young and established companies – flanked by a broad research landscape – are pressing ahead with future topics such as digitization or the energy transition and enriching the market with new business models, services and products. Living and working in NRW is characterized by an open-minded, cosmopolitan attitude and a colorful flair, with numerous communities from all over the world. They all appreciate not only the vibrant economic activity, but also the excellent quality of life in NRW with its varied cities and landscapes, six UNESCO World Heritage sites, and a wide range of cultural and leisure offerings.

Expanding worldwide

Discover new growth opportunities abroad

North Rhine-Westphalia is home to numerous companies with global growth potential. But where abroad are the major markets of the future? Which country is the right one for your business? And how can you present yourself optimally and find the right sales partners and customers for your product or service? NRW.Global Business helps you to make your foreign business a success! Our services at a glance:

Paving the way for your leap into international markets

- Constant attention to potential sales markets and future topics
- Access to new markets and international business partners
- Access to long-standing, international networks

Trips for new business prospects

- Company and delegation trips to potential growth markets, in some cases with political support
- Local experts and specialists from North Rhine-Westphalia on site
- Information on economic backgrounds and industry structures
- Supplemented by cooperation and matchmaking events

Your presentation at leading trade fairs worldwide

- Comprehensive support for international trade fair appearances
- Concessionary conditions through support from the state or federal government

Broad participation in joint stands

- Presentation as part of a NRW joint stand together with other NRW companies or as part of an information service center at federal trade fair stands
- Complete package with turnkey stand including technology, cross-company advertising measures, collective transport of exhibits, interpreting service and supporting program

Small group promotion for individual trade fair presence

- Flexible support program for SMEs from NRW
- Association of at least three companies for an international trade fair appearance of their choice
- Funding of up to EUR 5,000 per company per year for the preparation and implementation of a trade fair appearance
- Prerequisites for the selection of the foreign trade fair: Listing with AUMA, no official federal or state participation
