

HONOR MAGIC MOMENTS AWARDS

About Us

We believe that our life, consisting of countless tiny moments, is wonderful and great.

Every touching and beautiful moment deserves to be captured with HONOR that is enabled by science and technology.

Recording marvelous life by capturing every extraordinary and precious moment as well as every contre-jour shot.

-- This the essence of HONOR MAGIC MOMENTS AWARDS.

This award aims at breaking through the boundary of dynamic visual expression through innovative technology, and establishing a global exchange platform of mobile photography around mobile phone shooting experience, and lens expression; tapping the creative inspiration of the public and new filmmakers and shaping new forces influencing culture through your unique aesthetic and rich practical experience, and assisting creators to realize their dreams, and discovering more new generation of high-quality creative talents through the incentive mechanism.
