an exhibitor

Company Profile

- Full name: **Times Recycling Limited**
Year established: 2018
Headquarters: Hong Kong, Kwun Tong
Industry: Wholesale of used smartphones, tablets and laptops
- **Mission**
To provide high-quality and affordable used smartphones and electronics while promoting sustainability and reducing e-waste.
- **Vision**
To become a global trustworthy player in the used smartphone trade, delivering value to customers, partners, and the environment.
- **Values**
Reliable, Trustworthy, Long-lasting and Win-win partnership
- **Overview**
Times Recycling was founded in 2018 and headquartered in Hong Kong, Asia's premier free trade zone, specializes in the international import, export, and wholesale of used electronics. Our primary focus is on pre-owned Apple iPhones, complemented by tablets, laptops, and Android smartphones. With a monthly circulation of over 50,000 used iPhones and a cumulative revenue of approximately \$50.5 million USD by 2024, Times Recycling has established itself as one of Hong Kong's fastest-growing wholesalers of second-hand mobile devices.
