Casa Pop-Up Desk

All-in-one pop-up desk to work from home and office, consisting of a wireless keyboard and intuitive touchpad, stored inside a book-like case that transforms into an ergonomic laptop stand

For versatility and comfort

Remote workers and office roamers will work more comfortably with this easy-to-set-up laptop stand, wireless keyboard and touchpad all in a tidy portfolio. The all-in-one kit is easy to store, making moving around simple.

Employees will enjoy the laptop-like feel they know and appreciate on the minimalist wireless keyboard and smooth wireless touchpad. Both devices are multi-OS compatible (Windows, Chrome, macOS, iPadOS) and connected using Bluetooth® Low Energy.

The book-like case that transforms into a laptop stand will help their neck feel 40% comfier throughout the workday.

- Ideal for remote workers, office roamers and desk hoppers
- ITDMs can improve employee experience with a modern solution for shared office spaces and remote workers.
- Designed for versatility and comfort
- All-in-one work kit
- Familiar laptop typing experience on a minimalist keyboard with handy shortcut keys
- Great touchpad feel with glass surface, click anywhere technology and gesture controls
- Better posture with the stand raising the laptop to eye level for a comfier neck throughout the day
- Easy to carry around, set up and store in lockers, drawers & cabinets.
- For a wide range of laptops, connects to iPad as well: the stand supports laptops from 10" to 17" and up to 7.5 Kg (16.5 lbs). Plus, each device connects to multiple OS (macOS, Windows, ChromeOS, iPadOS) via Bluetooth Low Energy.
- Supported by Logi Options+ for personalisation and more productivity

| | |
