

Combo Touch

Ultra-versatile detachable keyboard case with trackpad for Apple iPad®

Empower your team with the ultimate tool for on-the-go productivity: Combo Touch, a versatile case featuring a detachable keyboard with trackpad and designed for iPad. ITDMs looking to boost their team's efficiency will appreciate that Combo Touch not only transforms the iPad into a multi-functional productivity machine but also does so with unparalleled style and ease. Combo Touch can be swiftly integrated into your existing setup, requiring no setup or pairing, thanks to Smart Connector.

Combo Touch is designed to meet the dynamic needs of modern professionals. Whether it's for typing reports, sketching designs, viewing presentations, or reading documents, its multiple use modes, detachable keyboard and flexible kickstand adapt to every task—and the large trackpad enables easy navigation with Multi-Touch gestures. Beyond its portability and versatility, the Combo Touch offers form-fit protection for iPad, safeguarding the front, back, and corners to extend the lifespan of your investment.

- Ideal for on-the-go executives, knowledge professionals, and deskless workers
- Multiple use modes: Type, sketch, view, and read
- Form-fit protection for front, back, and corners
- Multi-Touch trackpad for more control
- Flexible kickstand
- Detachable backlit keyboard for lightweight versatility
- Power and pair in one click with Smart Connector
- Full row of iPadOS shortcut keys
