How did VEON's total income tax expense change from 2022 to 2023?

In 2023, VEON's total income tax expense was 9, compared to a credit of (12) in 2022. This indicates an increase in the total income tax expense from a negative amount (indicating a credit) in 2022 to a positive expense in 2023.Sources: ['https://www.veon.com/fileadmin/user_upload/investors/reports/2021/1q21-full-announcement.pdf', 'https://www.veon.com/fileadmin/user_upload/investors/reports/2017/veon-20-f_2016.pdf', 'https://www.veon.com/fileadmin/user_upload/investors/reports/2023/2023_VEON_Holdings_B.V._Dutch_Annual_Report.pdf', 'https://www.veon.com/fileadmin/user_upload/2023_Form_20-
